SWACHH BHARAT ABHIYAN COMMITTEE

INTRODUCTION

The Swachh Bharat Committee spearheads efforts to realize cleanliness and hygiene goals in India, mobilizing community engagement and promoting behavioral change.

Through initiatives like awareness campaigns, toilet construction, and waste management programs, the committee aims to build a healthier and more sustainable nation as part of the Swachh Bharat Abhiyan.

AIM

The Swachh Bharat Committee drives nationwide efforts to achieve cleanliness and hygiene objectives through community mobilization and sustainable sanitation practices.

OBJECTIVES

- Raise awareness about sanitation and hygiene practices.
- Mobilize resources and stakeholders for sanitation projects.
- Promote behavioral change towards cleanliness and waste management.
- Facilitate the construction of household and community toilets.
- Ensure proper waste disposal through segregation, recycling, and composting.
- Monitor and evaluate the progress of sanitation initiatives.
- Collaborate with government agencies, NGOs, and stakeholders for support and expertise.

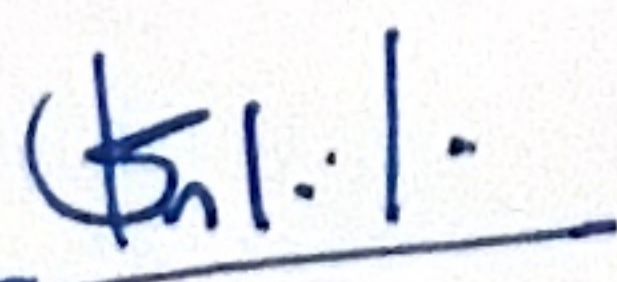

ACTIVITIES

- Conducting cleanliness drives and awareness campaigns in schools, colleges, and local communities.
- Organizing workshops, seminars, and training sessions on sanitation and hygiene practices.

- Building and maintaining public and community toilets to improve access to sanitation facilities.
- Implementing waste management programs such as segregation at source, composting, and recycling.
- Monitoring the cleanliness of public spaces and ensuring regular maintenance.
- Engaging with local authorities and stakeholders to address sanitation-related challenges and issues.
- Promoting the use of technology for monitoring and reporting sanitation-related data.
- Celebrating milestones and achievements in sanitation and cleanliness through events and recognition programs.
- Encouraging community participation and volunteerism in Swachh Bharat initiatives.
- Advocating for policy changes and resource allocation to support sanitation and cleanliness goals at the local, regional, and national levels.
